1. Testimonial Agreement

I agree to provide a 15–30 second video testimonial sharing my honest personal experience with the selected NatureLife product. I confirm that I have personally used the product and that my testimonial reflects my genuine opinion. I understand that results may vary between individuals and that this is not medical advice.

2. Compensation

As compensation for the approved testimonial, NatureLife will provide the participant with a **complimentary coupon code** redeemable on the NatureLife website (naturelife.co.za). This coupon entitles the participant to a **free 6-month supply of the reviewed product**, fulfilled via the standard checkout process.

The coupon will be issued after submission and approval of the video. This is a once-off arrangement with no ongoing obligations or royalties on either party.

3. Usage Rights (Product-Specific)

I grant NatureLife permission to use my testimonial video on:

- Social media platforms (Facebook, Instagram, and others)
- Paid social advertising
- The NatureLife website
- Email marketing for the specific product reviewed

This consent applies **only to the product selected above**. There is no expiry on this consent — NatureLife may use the content on an ongoing basis, including on platforms where content remains live indefinitely.

4. Editing & Disclosure

NatureLife may trim the video and apply branding. The meaning and intent of the testimonial will not be altered. A *"Paid testimonial"* disclosure will be applied where required by advertising regulations.

5. Privacy

Personal information collected through this form will be processed solely for the purpose of this agreement, in full compliance with the **Protection of Personal Information Act (POPIA)**.
